Bulgaria signs a multi-country operation plan on relocation with the EUAA July 2026

Bulgarian authorities have signed the Relocation Multi-Country OP with the EUAA, aiming to increase capacity of the national authorities for the relocation of applicants for and/or beneficiaries of international protection within the Union.

The request for support to the Agency was submitted by Bulgaria on 19 May 2026 since Bulgaria committed to contribute to the Annual Solidarity Pool through 214 relocations.
