The German and Ukrainian governments signed a Memorandum of Understanding on the establishment of “Unity Hubs” in Germany on 15 February 2025.

The Memorandum of Understanding defines the areas of activity of the “Unity Hubs”. The focus is on counselling and supporting Ukrainians with a possible voluntary return to Ukraine and with finding work in Ukraine and Germany. In addition, the ‘Unity Hubs’ will serve as a contact point for Ukrainian refugees in Germany, offering cultural programmes in both Ukrainian and German as well as language courses.
