JRS Malta publishes report on exploitation and mistreatment

Jesuit Refugee Service Malta published a report entitled Forced to Hide - The Human Cost of Legal Precarity and Labour Exploitation, which documents a series of interviews held with migrants with different degrees of legal precarity, including asylum seekers. The report was supported by the Platform for International Cooperation on Undocumented Migrants (PICUM) and the Robert Bosch Stiftung's grant programme on labour rights and labour migration. An animated documentary film, Paper Ghosts, was also produced in collaboration with Filfla Studios.
