Ministry of Interior updates tender specifications for reception services

Following discussions with the National Anti-Corruption Authority (ANAC), the Department of Civil Liberties and Migration of the Ministry of the Interior updated the reception services tender specifications. More specifically:

- Article 13, paragraph 2 (revising prices); and
- Article 16, paragraphs 3, 4, and 5 (subcontracting).

The aim of the change was to adapt the tender to new regulatory provisions, with particular regard to the indication of the ISTAT indices to be applied for price revisions.
