Financial contribution for housing costs of Ukrainians

The Ministry of the Interior provides financial contribution to the housing costs for the period May 2023 - April 2025 in the framework of a national project for the social integration of displaced persons from Ukraine.

The financial contribution is systematically paid to accommodation providers in accordance with Act No. 480/2002 Coll. on Asylum, as well as with the Regulations of the Government of the Slovak Republic No. 151/2024 Coll. on the provision of a contribution for a person who has left the country and reimbursed from European Union resources based on the Agreement on the provision of a non-refundable financial contribution.

The project especially focuses on more vulnerable groups and has so far supported a total of 47,546 displaced persons from Ukraine for the purpose of providing temporary accommodation in Slovakia.
