EUAA organised workshop on screening processes and border procedure for SAR officers

In view of the Pact on Migration and Asylum, the EUAA organised a workshop for SAR directors and experts on the topic of screening processes and border procedures. The workshop covered the following:

- EUAA Blueprint prepared to support Member States in planning and building specialised or multifunctional centres where screening, asylum and return procedures are applied at the border.
- Non-paper on workflows and capacity, including a tool for calculating the necessary human resources and capacity of the centres for the implementation of the Asylum Procedures Regulation (EU) 2024/1348.
- the Site Assessment Tool – designed to assess the suitability of existing facilities or for selecting a new site for the construction of a centre.
