Ministry of the Interior launches call for 3,200 new second line reception places

The Ministry of the Interior published three notices to finance 3,202 places in the SAI reception network using AMIF funds:

- 2,402 new regular places;
- 500 places for unaccompanied foreign minors;
- 300 places for persons with mental or health issues.

Local authorities can submit a funding application for each of the three projects, even if they already hold a project in the same category, as an exception to the standard provisions. Funds allocated will initially cover the projects for a period of 24 months.

Applications for project funding can be submitted until 10 November 2026 by accessing the Ministry of the Interior's FNAsilo platform.
