Working meeting organised on access to reception conditions under the Pact

In partnership with “Mission Krile” Foundation and Jura Humana , the Center for Legal Aid organised a working meeting on 7 October 2026, to discuss access to reception conditions for foreigners seeking and receiving international protection. The aim was to engage in effective discussions with various stakeholders, including representatives of central and local authorities, the civil sector and experts on the topic of protection, asylum and integration.

The event was the first one in a series which are held under the project " Charter-Pact: The New EU Pact on Migration and Asylum and the EU Charter" , part of the initiative "Partnership between Civil Society Organizations for Impact on Rights and Values" (Project "Pact"), funded by the EU and the Open Society Institute - Sofia Foundation (OSI).
