UNHCR Cyprus publishes report on the intentions of Syrian refugees in Cyprus

Under UNHCR's survey on Intentions and Perspectives of Syrian Refugees and Asylum Seekers in Europe, a new report presents the findings of the survey for Cyprus.

The key findings include:

- 49% of the respondents expressed interest in go-and-see visits to Syria.
- 11% of respondents hope to return to Syria one day.
- 2% of respondents plan to permanently return to Syria within the next 12 months.
- 52% of respondents plan to stay in Cyprus over the next 12 months.
