PIC presents recommendations to support unaccompanied children and their legal representatives at the closure of the CO.A.ST Project

At the closing event of the CO.A.ST Project, the *Pravni Center* Za Varstvo Človekovih Pravic in Okolja (PIC, Legal Centre for Human Rights and the Environment) presented key research findings, examples of good practices from different countries, and a practical tools for supporting unaccompanied minors and young adults.

Recommendations for decision-makers, institutions, and other key stakeholders were also presented, emphasizing the importance of continuous, accessible, and coordinated support for unaccompanied children and their legal representatives in their transition to adulthood.
