Parliamentary Committee discusses Civil Protection Law 2026

The Parliamentary Committee discussed the Civil Protection Law of 2026 (Αρ. Φακ. 23.01.067.088-2026) in view of establishing a national mechanism for civil protection. The law is part of the bill proposed to rename the Ministry of the Interior to Ministry of the Interior and Civil Protection.

Different approaches were presented during the discussion, which can be consulted in detail here.
