First legal aid center opens in Burgas

The National Legal Aid Bureau announced the opening of the first Regional Center for Consulting and Providing Free Legal Aid in Burgas. Thus lawyers from Burgas, registered in the register of the National Bureau of Legal Aid (NBLA), will provide free legal aid to victims of domestic violence, people with incomes below the poverty line, recipients of social benefits, children placed in foster families or in families of relatives or close friends, children at risk, persons seeking international protection, as well as foreigners temporarily placed in specialised homes.
