IOM publishes situational report on Ukraine response in Bulgaria for 2024

IOM has published a report detailing its activities and impact in Bulgaria throughout 2024.

Key achievements include:

- Over 3,800 individuals received social, legal, and psychological counseling and support with access to services.
- More than 2,300 families with children were provided food vouchers.
- Over 2,500 people benefited from IOM’s healthcare assistance.
- More than 500 individuals received language classes, aiding their inclusion and access to employment.
