Voluntary organisations and other recipients of grants for activity funds in 2025 must submit a final report no later than 1 April 2026. Grants for activities for children in asylum reception centres are regulated in the Regulations relating to grants for activities for children in asylum reception centres (external website). The final report must be submitted as soon as possible after the activities have been completed, but no later than 1 April 2026. The reports are sent to udi@udi.no. The purpose of the reports is to:

- provide the UDI with an overview of the implementation of the activity(s) you have received a grant to carry out
- provide the UDI with a basis for assessing goal attainment (cf. Sections 1 (external website) and 3) of the Regulations (external website)
- verify that the grant is used in accordance with the conditions for the award.
