

Finland extends temporary protection until 4 March 2027 zzzzzz

The Ministry of the Interior announced the decision to extend the validity of temporary protection until 4 March 2027.

The Finnish Immigration Service also announced the decision and stated that, while current temporary protection residence permits are valid until 4 March 2026, new instructions will be published when residence permits with an expiry date of 4 March 2027 will be extended.
