Refugee Support Aegean reports on fatal incidents at Greece’s maritime borders in 2025

According to reporting by Refugee Support Aegean (RSA), at least 58 refugees were recovered dead and a further 40 remain missing (and are now presumed dead) in 28 fatal incidents (including 16 shipwrecks) at Greece’s maritime borders in 2025. Data for this publication were drawn from the RSA's systematic documentation and analysis covering the entire year, referencing announcements by the Greek and Turkish Coast Guards, the UN High Commissioner for Refugees (UNHCR), publications by Greek and international media, as well as the records of the IOM's Missing Migrants Project, Alarm Phone and Aegean Boat Report, and the data collection of the organisation Collective Aid.

More information is available here.
