

Teenagers from Harmanli refugee Centre and local institutions participate in reforestation of "Kenana" area zzzzzz

Teenagers from the Harmanli Refugee Reception Centre, together with the regional governor of Haskovo, Dr. Stefka Zdravkova, and other local institutions, planted trees in the "Kenana" area. The volunteer reforestation event, held as part of "Forest Week," covered more than 6 decares and saw the planting of approximately 4,000 young saplings. During the event, Dr. Zdravkova emphasized the importance of forests for Bulgaria and expressed her joy at the participation of young people and institutions in nature conservation.
