

Poland extends validity of temporary protection certificates until 4 March 2027 zzzzzz

Poland extended the validity of temporary protection certificates until 4 March 2027. Beneficiaries of temporary protection who already have a certificate of temporary protection issued by the Office for Foreigners with an expiry date of 4 March 2023, 4 September 2023, 4 March 2024, 4 March 2025 or 4 March 2026 do not need to apply for new documents, as these certificates remain valid until 4 March 2027.
