

UNHCR launched the RiMAP pilot, which covers only Croatia among EU countries zzzzzz

UNHCR rolled out the Rights Mapping and Analysis Platform (RiMAP), a digital Platform designed to provide information about laws and policies relating to the rights for refugees, asylum-seekers, internally displaced and stateless persons. Two current features of RiMAP are the Refugee Treaty and Legislation Dashboard (RTL) and the IDP Law and Policy Dashboard. Work on a Statelessness Law and Policy Dashboard is underway.
